

VEHICLE PROWL PREVENTION

Vehicle prowls are the theft of property from a motor vehicle. Most are crimes of opportunity through unlocked doors and open windows where victims usually encounter expensive vehicle damage – especially to their windows, doors and locks. Large parking locations like shopping centers, housing communities, parks and schools are prime targets for a prowler since multiple vehicles can be hit in a short time span. Also, prowlers know the odds are good that someone will leave a door unlocked, a window down or keys in the ignition.
